Dates Data entry for the Date format has to be standardised to ensure consistency and accuracy and to facilitate the counting of Tenure in days.

** In certain instances, the nature of work entrusted as Additional Charge is not mention in the HoP. Because of which, the Officer may continue to hold Sensitive charge beyond the prescribed period. To avoid such pitfall, the specific details of Additional Charge (if any) should be sought from field formations under signature from the competant authority. Similarly, in certain Sensitive Directorates, few Officer are posted to such Directorate but are handling non-sensitive work during their entire tenure and in such cases, the Nature of Charge may be considered as 'Non-Sensitive'.

**

In certain instances, the nature of work entrusted as Additional Charge is not mention in the HOP. Because of which, the Officer may continue to hold Sensitive charge beyond the prescribed period. To avoid such pitfall, the specific details of Additional Charge (if any) shold be sought from field formations under signature from the competant authority. Similarly, in certain Sensitive Directorates, few Officer are posted to such Directorate but are handling non-sensitive work during their entire tenure and in such cases, the Nature of Charge may be considered as 'Non-Sensitive'.

Dates	Data entry for the Date format has to be standardised to ensure consistency and accuracy and to facilitate the counting of Tenure in days.										
In certain instances, the nature of work entrusted as Additional Charge is not mention in the HoP. Because of which, the Officer may continue to hold Sensitive charge beyond the prescribed period. To avoid such pitfall, the specific details of Additional Charge (if any) shold be sought from field formations under signature from the competant authority.											
** Similarly, in certain Sensitive Directorates, few Officer are posted to such Directorate but are handling non-sensitive work during their entire tenure and in such cases, the Nature of Charge may be considered as 'Non-Sensitive'.
